IMMTECH TO RESCHEDULE QUARTERLY CONFERENCE CALL

New York, New York, February 13, 2009 – Immtech Pharmaceuticals, Inc. (NYSE Alternext US: IMM) announced today that the Company will postpone the quarterly update conference call scheduled for February 18, 2009. A conference call to provide an update on progress and results for the fiscal third quarter of 2009 will be rescheduled. The Company will issue a press release announcing a new date and time for the quarterly conference call in the near future.

About Immtech Pharmaceuticals, Inc.

Immtech Pharmaceuticals, Inc. and subsidiaries (a development stage enterprise) is focused on global opportunities in the healthcare sector and opportunities in China. Immtech aims to apply its established expertise and other assets in both new drug sales and enhanced healthcare-related services, including research and information-providing services, for developed and developing countries. For additional information, please visit the Company's website at <http://www.immtechpharma.com>.

“Safe Harbor” Statement under the Private Securities Reform Act of 1995: Statements in this press release regarding Immtech Pharmaceuticals, Inc.’s business which are not historical facts, are “forward-looking statements” that involve risks and uncertainties. Actual results could differ materially from these forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to, those discussed under the headings "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Risk Factors" in Immtech’s annual report on Form 10-K for the year ended March 31, 2008 filed June 18, 2008, and in its other SEC filings and include, but are not limited to: (i) Immtech’s ability to obtain additional funds; (ii) Immtech’s ability to manage its remaining resources; (iii) Immtech’s ability to continue as a going concern; (iv) Immtech’s ability to retain key personnel; (v) the ability of Immtech’s scientists and collaborators to discover new compounds; (vi) the availability of additional research grants; (vii) Immtech’s ability to obtain regulatory approval of its drug candidates; (viii) the success of Immtech’s clinical trials; (ix) dependence upon and contractual relationship with partners; (x) Immtech’s ability to protect its intellectual property; and (xi) competition and alternative technologies.

In addition, Immtech does not undertake any obligation, and specifically disclaims any obligation to publicly update or revise forward-looking statements to reflect future events, information or circumstances that arise after the date of this release.
